

APOLLOLIMS

LABORATORY INFORMATION MANAGEMENT SOFTWARE

Price Quotation Worksheet:

To give us a better understanding of your LIS needs, we need you to provide the following information. If you have an existing LIS and know the number of concurrent users you currently have licensed, that would be extremely helpful.

When calculating the number of staff in each lab area, as well as, the number of instruments in use, decide what growth you are anticipating in the near term so that your implementation can best reflect your goals.

Organization Name:

Address:

Accessioning / Specimen Processing Staff:

Data Entry / Billing Staff:

Lab Technologists:

Laboratory Supervisors:

Quality Assurance / QC Coordinators:

Total Number of Employees:

In which general area is your laboratory focused?

Do you currently have a Laboratory Information System?

If so, which system do you have?

Number of Instruments interfaced or to be interfaced:

Foreign System (HL7) Interfaces:

Number of Unique Tests (CBC, BMP, Hepatic...):

Average number of samples per month:

How many unique Patient Report formats do you currently support?

Are you interested in Document Imaging and Processing?

Are you interested in Internet reporting or remote data entry?

Are you interested in automated Fax reporting?

We will maintain your responses confidentially. Please return this form to us either by email or by fax. We will be happy to issue your facility a custom quotation and answer any questions you might have in regards to ApolloLIMS.
